Professional Vehicle Protection Covers for smart

protect safely - save cost - boost your image

Professional vehicle protection covers

protect your customers cars safely, save cost and help to boost your workshop s image.

By using the special Datex protection covers you let your customer know that you repair his car by the manufacturer s standards.

Datex protection covers protect safely against scratches, dents, oil and dirt.

The quality of your work is increased and cumbersome extra work is avoided.

You save time, money and hassle.

- DATEX quality features:**
- intelligent attachment technology to hold the cover safely in the right position
 - no use of magnets, which could scratch and damage the paint
 - approved colours and logos
 - consistent protection of the fender s upper edge by the overlapping edge protector
 - extra padding to absorb high pressure by pointed tools, spare parts, etc.
 - top quality materials and workmanship guarantee a long service life.

DATEX - Fibreglass Covers for Car Body Repairs

protect safely - save cost - boost your image

The Advantages:

Damages caused by flying sparks and metal drops during car body repair jobs are very expensive.

Save your customers this trouble.

Our covers have been tested through practical use and guarantee fast and secure protection.

Even in the case of complex repairs combinations of covers provide flexible and fast protection.

Most preventive dismantling of the interior becomes obsolete.

A profitable investment in

- workshop quality
- company image

Product quality:

- The interior protection (D-A 20) prevents sparks and metal drops from entering the interior.
- The special rear cover (D-A 25-02) safely protects the interior of tailgate vehicles in a matter of seconds.
- The door protection (D-A 23) covers large opened vehicle doors.
- Suction cups replace magnets which may damage and scratch the paint.
- We use robust coated fibre glass fabric of high quality which resists temperatures up to 700 °C.

Suction cups

for non-scratch attachment.
Easy to remove and interchangeable.
